

NEW BOWLERS and MEMBERS

The club is always keen to encourage and support those new to bowling. If you wish to have a go please contact the club on 01733 566709 and speak to the secretary to arrange a visit. There's no cost to try your hand at bowling and have a tour of the facilities here. There's plenty of secure, free parking on site and equipment will be provided as well as guidance by an experienced bowler.

Rink availability – The “Rinks” tab on the website shows when rinks are available for use and allows members to book the rinks online. Each session last 1hour 55 mins, with a rink fee of £3.00 for members paid at the time of playing.

Dress code

Leagues & inter club matches: Dress shall be predominantly white above the waist with grey tailored or bowls trousers / shorts / skirts.

Roll Ups, Coaching & Practices: Dress code shall be “smart casual”.

Footwear: At all times when on the green, flat soled bowls shoes must be worn. Shoes must be changed to outside and changed back before going onto the playing surface. Do not arrive in your bowls shoes – change into them once inside the building. (For beginners socks or stocking feet are acceptable)

Coaching

Coaching and coaching courses are available at the club and more details can be obtained by speaking to Martin Bunning on 07879 853349.

Rollups are enjoyable semi-organised games where you meet and play other members of the club in an informal way and sessions are allocated every week, on the rinks schedule, to accommodate these so that there is no need to pre-book.

Friendlies – during the Indoor season (September to March) the Club takes part in Friendly matches against other Clubs in the area, playing home and away at Clubs like Spalding, Stamford, Huntingdon and Whittlesey. New members are very welcome and encouraged to play in these as they offer an entertaining day out, are a lot of fun, and provide a great way to meet other bowlers on top of providing an opportunity to experience bowling on different greens. All details of these games are posted on the Club notice boards by the Indoor changing rooms.

Subscription

Annual bowls membership, which runs from 1 September tot 31 August and includes both the Indoor and Outdoor rinks, costs £45 for adults and £16 for Juniors (under 18) £20 for social membership. Further details and an application form are available under the “Documents” Tab on the website.
