

Having nine indoor rinks and a six-rink outdoor green, the Centre can offer bowling all year round.

The Club is very busy during the Winter Indoor Season, and whilst offering casual play for those who prefer non competitive games, we also have a large indoor League programme, plus County and National competitions.

Our current membership strikes a good balance between them and some members play at the higher level, putting a more competitive edge to their games.

Players of any level are welcome to join us. In the summer months many of our indoor members turn their hand to the Outdoor game, and as with the Indoor season, play can take place at any level with social and league bowling available.

If you are visiting from out of town either to attend one of the games or to visit the town and surrounding areas, there are many options for accommodation. From various hotel chains to small family run bed and breakfasts, you will have no trouble finding something to suit your taste and budget.

We look forward to seeing you soon!

[A full coaching scheme](#) is available for both adults and juniors and loan equipment is available for beginners and for the casual player.
