

CLUB MATCHES

The Club runs a considerable number of weekend friendly matches and mid-week over 60 friendly games. Travel to away games are mainly by coach.

Availability lists are placed on notice boards well in advance of the games and the selection policy is that everybody gets a fair share of the games.

The Club enters a number of County and National team competitions, both open and for the over 60's.

Availability lists are placed on the notice board.

Selection for these teams is on merit and teams are picked by the ladies and gents selectors elected annually at the Annual General Meeting.

The Club runs a junior section and an under 18 team is entered in the local Cambridgeshire league.

In addition to the Club matches, many members enter the various National and County competitions.

The Club also runs its own internal competitions culminating in a Finals day held in April.
